Safe Cycling Urged for This July Weekend

Police, courtesy and common sense will make the July Fourth holiday and the remainder of the summer safe and happy for bike riders in this community, Police Chief Ralph M. Jensen stated today.

Like riders can insure the safe and happy operation of their bikes on July Fourth and the remainder of the year if they will follow the 12 rules of safe riding issued by the Bicycle Institute of America," Chief Jensen said. He urged greater caution for both drivers and riders during the weekend.

The rules apply to all traffic violations, he stated, and urged riders to follow them carefully to insure a summer of pleasant, carefree riding. The rules are:

Observe all traffic regulations, signs and lights. Keep to the right. Ride in single file.

For night riding, have headlight and rear danger signal. Wear white or light-colored clothing. Have workable horn or bell. Maintain safe speed.

Watch for cars pulling into traffic. Be careful of doors opening on parked cars.

Never hitch on other vehicles. Do not stunt or race in traffic.

Carry no passengers or objects which interfere with vision or proper control of the bike.

Keep your bicycle in perfect operating condition. Make sure brakes are functioning properly.

"Stop, Look and Listen" at traffic intersections.

Always use proper hand signals for turning and stopping. Ride in a straight line — do not weave or weave.

Avoid sidewalk riding. Always give pedestrians the right of way.

TWO MEMBERS OF THE ALBANY ROTARY CLUB were in attendance at the club's meeting last Tuesday after an absence of several weeks of extensive travel. One was Harold W. Olson, who enjoyed a three-week tour of Europe with his wife, May, followed by a similar amount of travel on the East Coast. The other traveler was George H. Irwin, past president, who attended the annual convention of Rotary International in New York City with his Rotarianne Mildred. George and his wife, returning by ship through the Panama Canal.

LAST TUESDAY'S LUNCHEON meeting program of the Albany Rotary Club was the club's annual "Demotion" ceremony, with Past Presidents Harold Denham and Dick Thomssen alternating as emcees. Retiring President Herb Foley heard a long list of incidents in his life from the age of eleven detailed by the speakers, including the reading of a number of articles from the pages of issues of the Albany Times dating back several decades.

THE "COMMERCIAL SHORT STORY" will be featured in the Writers Workshop of the Albany Adult Education Center's 7-week summer session, July 6 to August 22. This class will be given at the Albany High School building, 603 Key Route Boulevard, 7:30 to 9:30 and Tuesday evenings, starting July 7.

THE KIWANIS CLUB OF ALBANY - NORTH BERKELEY will have Doctor Kaieran from the Tuberculosis Association as its guest speaker on Thursday, (Continued on Page 2)

Prominent Albany Business Leader On Visit to Italy

G. D. GAETA

G. D. Gaeta, prominent Albany business and civic leader left by train for New York City on the afternoon of June 19. Scores of friends and relatives were at the Southern Pacific 16th Street station in Oakland to bid him bon voyage and wish him a happy and safe return.

From New York Mr. Gaeta had reservations on the U.S.S. Constitution on which he sailed for Genoa, Italy. There he expected to pick up a car already arranged for and to make an extensive tour of Italy and some of the surrounding countries.

Accompanying Mr. Gaeta on the trip is his nephew David Mazio who will skip a few weeks of law school in order to take advantage of the chance to make the overseas trip. "I can always make up school time," he said, "but who can afford to make a trip of this kind at my age?"

They are taking along with them a 16 mm movie camera and a couple of thousand feet of color film which they hope to bring back with a series of marvelous pictures of the things they have seen and enjoyed on the trip.

Mr. Gaeta has promised to drop a few lines to the Albany Times to report progress on his trip. If he doesn't forget his promise his reports will be published from time to time.

Mr. Gaeta is a long time resident of Albany; has been active in civic and fraternal affairs, and holds a high office in the Knights of Pythias. He is currently chairman of the Albany Civil Service Board.

Albany Summer Day Camp Opens Monday, July 6

The Albany Recreation Department opens its summer vacation day camp Monday, July 6, at Terrace Park, Francis and Tevelin Streets. Operating from 10:00 a.m. to 3:30 p.m., Monday through Friday, the program will enroll children from 7 through 12 years of age. On the program are nature activities, cook-outs, hikes, excursions, crafts, campfires and other activities.

At Terrace Park, there will be a "Community Picnic" on July 4 starting at 12 Noon. Activities include baseball, volleyball and novelty contests for all age groups. Thursday, July 9, Terrace playfellows will hold their annual "Western Day" starting at 11 a.m. Games and activities will follow a chuck wagon cook-out.

Winners in the pet show held at Terrace on June 25 include Laurie Silveira, best trained and general excellence; Marian Westwick, biggest pet; Gail Graham, prettiest pet; Lynn Drozda, most unusual; Bonnie Jacobson, smallest; Diane Corbett, most tricks. Judges were Charlotte McNab, Ginger Drozda and Jane Roberts.

Directors at Memorial Park are finding interest running high in the table tennis tournament planned for July 10. This will be the first in a series of three table tennis tournaments at the playground. Also of interest to the table tennis fans at Memorial Park is the ladder presently being organized by Director Wes Tamm. Daily Craft Classes led by June Farley have been featuring braiding with the making of lanyards and key chains the most popular activity. Fourth of July preparation calls for some patriotic crafts. A daily session of new games is being taught under the direction of Merle Eaton. Children are learning some of the old games which their parents used to play under the street lights long ago.

Warns of Fire Danger in Parks

A warning, issued to Bay Area residents, prohibiting the use of fireworks in any of the Regional parks, was issued today by Richard E. Walpole, general manager of the East Bay Regional Parks.

Due to the extremely dry winter, the threat of fire to the some 8300 acres of park-land trees and meadows, has increased considerably this year. Walpole reported that a \$500 fine and/or six months in jail, would be imposed on all offenders this year.

ARE YOU HARD TO PLEASE?

Probably not — just "fastidious." If you are particular about things, "Mechanics" is the place to do your banking. In addition to the special care and training of our people, we use the very latest in electronic equipment. Machines don't do everything, but they do allow us to give more time and attention to the personal needs of our customers. People like this, and that is one reason why so many say, "My Bank is the Mechanics."

Chamber Chatter

Only a few days until the Fourth of July — Celebrate it here in Albany at Memorial Park. A real day of family fun and interesting activities is planned for you by the Albany Recreation Department with a most fitting theme, "Physical Fitness through Recreation." So pack up the family picnic basket and join us (remember there will be coffee and ice cream as a courtesy of your Chamber of Commerce) — Watch the Little League baseball game, the aquatic show and witness some fine physical fitness exhibitions arranged for you — wind up with square dancing in the High School gym. The Altheas will have a dance at Community Center.

There will also be a band concert, featuring George Perry and his band, at 12:30 p.m. at Memorial Park, courtesy of the Musicians' Union.

How much do you know about, and take advantage of interesting places in your own city? One of the busiest spots in Albany is the Albany Bowl, at 540 San

Pablo. This Albany business is a recreation center that attracts people from as far as Pinole to the north and from our neighboring city of Oakland. In addition to the 36 lanes for bowling, there are other recreational facilities such as billiard tables and a modern restaurant and bar. The Albany Bowl is open 24 hours a day, seven days a week closing only for remodeling once a year, Christmas Eve and New Year's Eve.

Special programs for everyone and all ages — of very special interest to parents is the excellent junior program. On Monday afternoons beginning at 1 p.m. is the "bantam" bowling program for youngsters up to 12 years of age. Wednesday afternoons the teenagers take over, 13 years through high school.

The "girls" are not forgotten — A beginners class for housewives began June 17 and will continue every Wednesday morning at 10 a.m. — this pays off in fun as Friday mornings are devoted to housewives league with 12 teams in competition.

At all hours there is a hum of activity and in all sections of the (Continued on Page 2)

CITY WILL CONTROL RECREATION AT SCHOOLS

The long-discussed proposal that the city's recreation department take over direction of recreational activities on Albany school grounds apparently was settled Monday night when the city council adopted a cooperative plan jointly agreed upon by school and city authorities.

The plan calls for complete control over school playground directors, including hiring and firing, under direction of the city's Park and Recreation Director and the council-appointed commission under which the director operates.

In return for release from these responsibilities the school department will turn over to the city certain available funds toward payment of personnel assigned to the various schools. In order to keep the costs within budget limits it will be necessary to curtail the school program somewhat, and there will be no supervised activity on the various school grounds on Saturdays, Sundays and during the vacation period.

The plan has been under study for some weeks with Councilman Leonard L. Keck representing the council and Superintendent of Albany Schools Kenneth M. Forry representing the schools. Councilman Keck reported on the plan in detail at Monday's meeting. After outlining the agreed on program he stated that the plan was to go into effect immediately, if adopted, but would be open to discussion and change or abandonment on or before (Continued on Page 2)

July 2, Dr. Kaleran is a pulmonary specialist and his topic will be entitled "Smoking." He will explain the effects of smoking on one's health. The meeting will be a noon time one and will be held as usual at the Red Barn Restaurant. President Jack Clarkson will preside over the meeting. The program chairman

will be Oscar Stevens.

MARIN PTA WORKSHOPS for the month of July will be held on two occasions:
The first, on July 8, from 9 a.m. to 12 noon, at Mrs. Robert Helsel's, 1052 Peralta, LA 5-9733.
The second on July 15, from 9 a.m. to 12 noon, at Mrs. Robert Fischer's, 1055 Peralta, LA 6-1512.

MISS SUNNY MONZELLA, 15, of Albany won first place in the "Search for Stars" talent show at the Solano County Fair, Friday, June 26.
She won the \$75 cash prize with a song and dance rendition

of "Sunny Side of the Street." The show was MC'd by Dick Steward, T.V. personality.
Miss Monzella will be a junior at Albany High next year and her parents, Mr. and Mrs. John S. Monzella, live at 648 Key Route Boulevard in Albany.

HOP AND GLIDE DANCERS will dance Thursday, July 2, at 8 p.m. at the Cornell School auditorium. We enjoy seeing instructors Miriam Heath back on the floor during intermission after a severe case of poison oak. Secretary Gertrude Garden is the official artist for floral favors and Ivy Severy for table decorations. The 50 and over who enjoy folk dancing are welcome to come and have a good time. For information call LA 5-4165.

The Hop and Glide Dancers wish to express their appreciation to the Albany Times for the space given for the publicity of their activities.

next May 1 if either or both parties desired.
The vote on the question was 4 to 1, with Mrs. Zahn dissenting on the ground that school funds stated to be available for the program were inadequate.

In a public hearing which had been scheduled for Monday night the question of changing the name of Cleveland Avenue, west of the freeway between the city's north limits and Buchanan on the south, to "Jacuzzi," at the request of the firm of that name, was turned down by a unanimous vote. The Jacuzzi firm is located just north of the Albany limits and had made a similar request for the name "Jacuzzi" to the Richmond City Council. There were many written and verbal protests against the change.

An order to show cause why there had been no action on a Use Permit for building a motel on property a few lots north of Buchanan, from San Pablo through to Adams, was held over one week at the request of the City Clerk.

Appointment of Mrs. Myrna Rose Pollard as Public Health Nurse as recommended by Health Officer Dr. Robert T. McMahon was approved unanimously.

On the appointment of Patricia A. Faria, recommended by Police Chief Jensen for Policewoman Clerk, the vote was 4 to 1. Mrs. Zahn dissenting on the ground she believed the appointment should go to a man, and that two policewomen on the force was enough. She said a male policeman could be assigned to street duty in an emergency.

Purchase of four police cars was awarded to East Bay Chevrolet Company on recommendation of Chief Jensen. The vote was 4 to 1. Mrs. Zahn dissenting on the ground the bids had been sent direct to the Chief's office rather than going first to the council.

The resignation of Albert Stumpf, hoseman in the Fire Department, was accepted, and the recommendation of Fire Chief Gerald Browne that Kenneth Cochran be appointed to fill the vacancy was unanimously approved.

Request of the Alameda County Planning Commission that the Albany Council and the Planning and Zoning Commission make a study of the "Proposed Alameda County Highway Master Plan" as part of a comprehensive reappraisal of Albany's master plan, was ordered referred to the Planning and Zoning Commission, to the Traffic and Safety Commission, to the Police Department and the City Engineer. The vote was 4 to 0. Mrs. Zahn not voting.

Self-Improvement Workshop at Center

A self-improvement workshop, open to the enrollment of those residing in neighboring communities as well as in Albany, will be offered at the 7-week summer session, July 6 to August 23, of the Albany Adult Education Center. Taught by Frank Micklewright at the Albany High School building, 603 Key Route Boulevard, on Monday evenings, 7:30 to 10, the course will be geared to help men and women build up self-confidence and self-esteem through a clear and realistic understanding of themselves and others.

Auto Dealers Get Awards for Aid to Schools

Certificates of Appreciation were awarded today to James Woulfe of Curt Campbell Ford Company and to Jack Labadie of East Bay Chevrolet Company by Albany High School and by Emery High School and the California State Automobile Association for the firms' cooperation in the schools' Driver Training Program.

The Curt Campbell Ford Company loaned a car to the Albany High School, and the East Bay Chevrolet Company loaned a car to the Albany High School and the Emery High School for use in the schools' Driver Training classes and installed AAA dual controls at no cost to the schools. They have participated in the program for several years.

The commendation was presented by Charles A. Moore, Principal of Albany High School, and by Harold W. Johnson, Emeryville School Superintendent, and by Paul E. Jackson, of the California State Automobile Association before the Albany Rotary Club, of which both dealers are members. The California State Automobile Association is an affiliate of the American Automobile Association, which started and developed the program of arranging for dealers to loan Driver Training cars to schools.

This year more than 150 students at Albany High School and 72 students at Emery High School are learning sportsmanlike attitudes and developing car-operating skills in the Driver Training Program.

Adult Dancing Class to Open

The last dance class for adults to be held before summer vacation will open Monday, July 6 for a four weeks course. The popular Cha-cha-cha will be featured by Jean O'Connor who has taught the YMCA dance classes for more than ten years. Each of the four lessons will be for a two hour period. For information call Thornwall 8-6800 or stop at the YMCA located at 2601 Allston Way.

6 wins against 3 losses, remains in second place with one game left to play in the regular schedule.

Post 7 (7-2) still holds a one game lead over Albany so both teams will be "shooting the works" in next Saturday's games. In Saturday's game against Hustead's, Jerry O'Gorman pitched his third shut-out, allowing only three hits and walking only two batters. This gives O'Gorman four wins and one loss for the season. Meanwhile the Albany infield was playing bang up ball, executing two double plays.

The final game of the season, barring a tie for first, will be played at San Pablo Park, Saturday, July 4th at 10 a.m. with Albany meeting Chapel of the Flowers.

Albany Park Department Issues Policy Statement On Use Of Ornamental Trees

It is the policy of the Park Department to establish and maintain a highly desirable system of ornamental trees, particularly adapted to the localized requirements of the City of Albany to protect and perpetuate them for the usefulness and beautification of the city.

Such important factors as desire for less shade, view of either the Bay or hill areas, resistance to pests and diseases, year-round interest value, climatical influence upon growth and development, natural rapidity of growth, hardness, type of root system, narrow parkways overhead wire systems, sewer systems, obstruction to vehicular visibility and night lighting systems, cost of maintenance and suitability for the city, have all been carefully considered relative to the selection and spacing of future planting. The following trees are recommended: liquid amber; red hybrid maple, variety crimson kind; flowering cherry, variety kwanzan; pink flowering Japanese plum; red flowering eucalyptus.

In general, future trees must be well formed, of relative small to medium size and sturdy, deep rooted and pest resistant, medium to slow growing, possessing pleasing foliage and producing at least two seasons of interest each year. The haphazard planting of earlier years now presents us with a problem. Large trees in narrow parkways, improper species, old and diseased trees, heavy trees with shallow root systems uncontrollable hosts for pests, are but a few of the factors which demand removal and replacement.

It is the policy of the Department not to remove trees except for such reasons as the following: when it has been determined beyond a reasonable doubt that the tree is hazardous to life and property; that it is a nonconforming tree definitely impeding progress relative to replacement; or that it is a nonconforming

tree of advanced age or otherwise objectionable to the property owners adjacent to the tree.

Where several trees are involved, a petition signed by approximately 80 per cent of the owners is required before consideration may be given.

It is the policy of the Park Department to place its city-side street tree planting plan into effect in a gradual year-by-year progressive manner in order that constantly improving methods and organization may be employed to keep cost of maintenance low.

Permission to cement parking strips may be granted provided, however, that it would be to the best of interest to the property and that suitable place is allowed for future planting of trees. When permission has been granted by the Park Department to cement a parking strip, the person requesting permission shall then apply to the City Engineer who will issue the permit. In the development of such a program it is the policy of the Department to enlist the valuable aid of specialists at the University of California at Davis, foresters, entomologists, and the people to be served.

\$1,000 In Prizes Awarded At Plaza Art Show

According to Douglas St. John, General Manager of the El Cerrito Plaza Regional Shopping Center, at least 75,000 people viewed the four-day El Cerrito-Berkeley Art Festival.

The Art Show started June 25 and ran through Sunday night until 10 p.m. The throngs which visited the show saw Jo Canada's "Fire Next Door," and "Sunset Tree" awarded Blue Ribbons, and cash awards totaling \$300.

Among the other award winners were Christopher Briggs, whose two Christ figures won purchase awards of \$150, and Betty Pleshe with "Misty Morning," and "Easy Street" netting awards of \$165. Other awards went to Dorothy Ramsey Miller, Jack Foote, Cliff Reynolds, Dorsey Alexander and Lorraine Crawford. Total of \$1,000 was awarded by anonymous donors.

Paintings, ceramics, pottery and jewelry sold by nearly 300 artists brought over \$6,000 in revenue to the participants.

Carole Flynn Is Bride Of Don Freeman

Carole Flynn and Donald E. Freeman were united in marriage on June 20 at the First Unitarian Church in Berkeley. The ceremony was conducted by the Rev. E. Raymond Cope.

The bride is the daughter of Frances Barrett Flynn of Albany and Joseph Matthew Flynn of Berkeley. She is a graduate of Albany High School, and is a senior at U.C. majoring in Anthropology. The groom is the son of Mr. and Mrs. Floyd H. Freeman of Piedmont. He is a graduate of Piedmont High School and received his Master's degree in pub-

lic health and hospital administration at U.C. this June. The bride's attendants are Mrs. Peter Berge (nee L. Holstein), of Albany, and Julia Lick of El Cerrito and formerly of Albany. The groom's best man was Harold H. Lafayette, while the ushers are James C. Foreman of Albany and John and Theodore Flynn of Albany. A reception at the varsity Club followed the ceremony.

Medicated Formula
 For Teen Skin Problems

Every teenager who suffers from "complexion breakouts" will welcome the news of a new medicated formula with cleansing capacity, to help remove deeply imbedded dirt up to 18% more effectively than soap, creams or other lotions tested — yet without drying or irritating. This medicated, antiseptic lotion goes to work to clear up surface blemishes. In the case of blackheads, 88.3% were greatly improved. There is the simple Noxzema Lotion plan: Morning and evening wash with the lotion as usual, concentrating with circular motion on disturbed areas. Rinse and re-apply a thin film for invisible "round-the-clock" healing action and a protective barrier against bacteria. (Boys will like the "no-frills" fragrance; girls will find it ideal makeup base.)

ON YOUR METAL!
 By Ann Albright

With the outdoor dining season at hand, it's interesting to note how many women are bringing elegance to the outdoor table. Even if it's right in your own back yard, your table can look lovely and still provide an "easy-on-the-guests" way to entertain guests or to serve your own family on warm days.

Try bringing your colorful solid copper or brass accessories into the open, for example. A chafing dish made of one of these metals, or of copper and brass combined, highlights a table with real elegance. It can cook or warm many dishes right on the spot.

Hot and Cold

Rectangular copper warmers, heated by small alcohol burners, are also available. For those who want a hot drink, a brass coffee maker atop this fixture fills the bill, both as to smart appearance and excellence of brew!

Tall carafes of gleaming copper or brass add further brightness to your outdoor setting, and are most useful in keeping cold drinks cold.

Many other accessories of these shining metals can also be used to make the simplest outdoor meal a real party — everything from hurricane lamps to insulating jackets for glasses.

LEGAL NOTICE
ORDINANCE NO. 59-012
AN ORDINANCE OF THE CITY OF ALBANY AMENDING ORDINANCE NO. 351 BY REZONING THE REAL PROPERTY HEREINAFTER DESCRIBED FROM SECOND RESIDENTIAL DISTRICT CLASSIFICATION TO THREE STORY COMMERCIAL DISTRICT CLASSIFICATION.
THE COUNCIL OF THE CITY OF ALBANY DOES ORDAIN AS FOLLOWS:
Section 1. That Ordinance No. 351 of the City of Albany, as adopted on the 11th day of September, 1933, and amended thereafter, is hereby amended so as to change that portion of the district in which the real property hereinafter described is now situated and to exclude the said real property from its present classification as Second Residential District and to include said property in the Three Story Commercial District as said term Three Story Commercial District is defined and used in Ordinance No. 351 as amended.

Section 2. The said described real property is subject to such use, restrictions and regulations as in said Ordinance are provided for property included within said Three Story Commercial District.

Section 3. That the Map described as "Zone Map of the City of Albany" and referred to as such in said Ordinance No. 351, as amended, is hereby amended to show said hereinafter described real property to be situated in the Three Story Commercial District and a Map showing said property is attached hereto and made a part hereof, and shall be published with the publication of this Ordinance, said Map being designated as Exhibit "A". Said real property is situated in the City of Albany, County of Alameda, State of California, and is described as follows:

Lots 17, 18 and 19 in Block 29, Regents Park Map No. 6.

Section 4. This Ordinance shall be published once in the Albany Times, a newspaper of general circulation within the City of Albany, which said newspaper is hereby designated for that purpose, and shall become effective on and after its final passage,

adoption and publication.

AYES: Councilmen Donahue,

Low Calorie Topping For Shortcake

If the warm weather's put a damper on your menu-planning imagination, here's a dessert suggestion from Carnation Company's home economists to lend interest to your dinners. Serve fresh strawberry shortcake with a delicious whipped topping made with new crystal-form instant nonfat dry milk. These magic crystals of nonfat milk whip when mixed with an equal amount of ice water into fluffy white mounds of topping that's 1/2 lighter in calories than whipped cream. It's economical, too, for those who are watching the budget (who isn't?) . . . an average serving costs less than 2 1/2 cents.

STRAWBERRY SHORTCAKES
Combine 1/2 cup reliquefied instant nonfat dry milk crystals (use package directions) and 1/4 cup melted butter; mix well. Add 2 cups biscuit mix; mix just until blended. Turn out on lightly floured surface; knead 10 times. Roll out to 1/2-inch thickness. Cut into rounds with 2 1/2-inch floured biscuit cutter. Place on ungreased baking sheet. Bake in very hot oven (450°) 15 minutes, or until lightly browned. Cool. Cut in half crosswise.

Combine 1 quart fresh strawberries and 1/2 cup sugar; mix well. Mix 1/2 cup instant nonfat dry milk crystals with 1/2 cup ice water. Whip until soft peaks form (3-4 minutes). Add 2 tablespoons lemon juice. Continue whipping, while gradually adding 1/4 cup sugar, until stiff peaks form (3-4 minutes longer). Arrange alternate layers of sweetened strawberries and whipped instant crystals on split biscuits. Serve at once. (Makes 6 to 8 servings.)

Howell, Keck, Zahn, and Mayor Blank
NOES: None
ABSENT: None
IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the City of Albany this 29th day of June, 1959.

Dedication Of County Court Building Held

Alameda County formally dedicated the new Berkeley-Albany

Municipal Court House Tuesday of this week in appropriate ceremonies with judges, attorneys and civic officials from far and near in attendance.

The \$490,000 new building, just

to the north of the Berkeley City

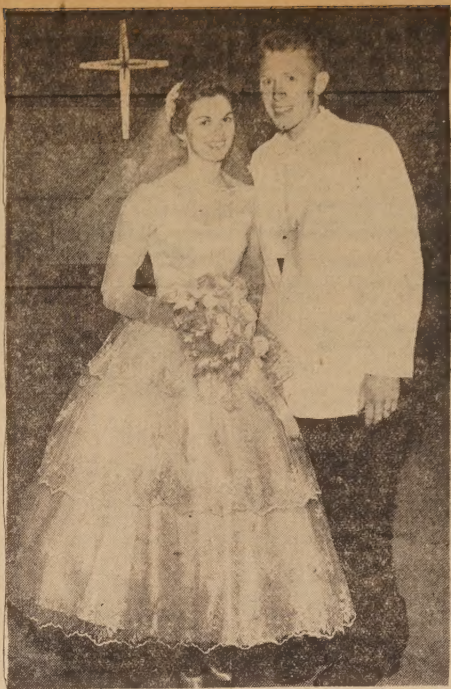

Hall, was open for public inspection throughout the day from 10 o'clock in the morning to 9:30 at night. Preceding the official ceremonies there was an official luncheon at the Elks Club with attending judges and invited guests in attendance.

The formal ceremonies began at 2 o'clock with Kent D. Pursel of Berkeley, member of the Board of Supervisors and general chairman of the event as master of ceremonies. Homer R. Spence, associate justice of the State Supreme Court, was the principal speaker.

The building contains two courtrooms, offices of the court clerk, district attorney, probation office and county welfare department.

Many Albany citizens, attorneys and city officials attended the ceremonies.

Admiral Hipp To Talk Before Albany Rotary

Rear Admiral Earle Hipp, USN Retired, will be the speaker at next Tuesday's meeting of the Albany Rotary Club. Admiral Hipp will be introduced by Bob Olson as chairman of the day. New president Roy Harford will preside. The meeting, as usual will be held at Spenger's restaurant in West Berkeley.

After more than 35 years service to his country in the Navy, Admiral Hipp is serving the people of the East Bay areas as assistant secretary of the East Bay Municipal Utility District. He was recently elected to the board of directors of the Oakland Rotary Club.

In addition to his work as Director of Customer Relations with the utility, Admiral Hipp participates in many civic and charitable activities of the community. He will speak on "Current Legislation Affecting the District."

Bob Olson has been a Rotarian since June, 1956. He recently resigned as Albany's City Treasurer and Administrative Assistant to the City Council to accept a position with Jacuzzi Bros., Inc. Bob and his Rotarywife Sue and their three sons; Ken, 7; Don, 5; and Dave, 2, reside at 1002 Peralta Avenue in Albany.

Obituary

Funeral services were held Monday, June 29, for Walter E. Matthews of 521 Kains Avenue, Albany, who died in an Oakland hospital after a lengthy illness.

A retired employee of Standard Oil Co., he had lived in Albany for 40 years. He was a native of Napa.

He is survived by his wife, Ellen H. Matthews; two sons, Raymond E. Matthews of Albany and Bill Matthews of Pleasant Hill; a daughter, Barbara J. Van Gelder of Richmond; a sister, Lillian Andrasen of Alameda; five grandchildren and a great-grandchild.

Services were conducted at 1:30 p.m. Monday from the Ellis Olson Mortuary by Rev. Dale J. Nicholson of the Albany Community Methodist Church. Entombment was at Sunset Mausoleum.
